Whether or not you expect to attend in person, we urge you to vote your shares at your earliest convenience. This will ensure the presence of a quorum at the meeting. Promptly voting your shares via the Internet, by phone or by signing, dating, and returning the enclosed proxy card will save us the expenses and extra work of additional solicitation. An addressed envelope for which no postage is required if mailed in the United States is enclosed if you wish to vote by mail. PROXY STATEMENT

Why am I receiving these materials?

These proxy materials are being sent to the holders of shares of the voting stock of Cocrystal Pharma, Inc., a Delaware corporation, which we refer to as “Cocrystal” or the “Company,” in connection with the solicitation of proxies by our Board of Directors, which we refer to as the “Board,” for use at the Special Meeting of Shareholders to be held at 10:00 a.m. local time on March 3, 2015 at Cocrystal’s headquarters located at the address above. The proxy materials relating to the meeting are first being mailed to shareholders entitled to vote at the meeting on or about January 8, 2015.

Who is Entitled to Vote?

Our Board has fixed the close of business on January 5, 2015 as the record date for a determination of shareholders entitled to notice of, and to vote at, this Special Meeting or any adjournment thereof. On the record date, there were 122,493,690 shares of common stock outstanding and 2,000,000 shares of preferred stock outstanding. Each share of Cocrystal common stock represents one vote that may be voted on each matter that may come before the meeting. Each share of Cocrystal preferred stock votes on an as converted basis. Each share of Cocrystal’s Series A Preferred Stock (“Series A”) converts into 340.7608 shares of common stock and each share of Cocrystal’s Series B Preferred Stock (“Series B”) converts into 205.08308640 shares of common stock. If the Proposal (described below) is approved, all Series A and Series B will automatically convert.

What is the difference between holding shares as a record holder and as a beneficial owner?

If your shares are registered in your name with our transfer agent, Equity Stock Transfer, you are the “record holder” of those shares. If you are a record holder, these proxy materials have been provided directly to you by Cocrystal.

If your shares are held in a stock brokerage account, a bank or other holder of record, you are considered the “beneficial owner” of those shares held in “street name.” If your shares are held in street name, these proxy materials have been forwarded to you by that organization. As the beneficial owner, you have the right to instruct this organization on how to vote your shares.

Who May Attend the Meeting?

Record holders and beneficial owners may attend the Special Meeting. If your shares are held in street name, you will need to bring a copy of a brokerage statement or other documentation reflecting your stock ownership as of the record date. Please see below for instructions on how to vote at the Special Meeting if your shares are held in street name.

How Do I Vote?

Record Holder

1. Vote by Internet. The website address for Internet voting is on your proxy card.
2. Vote by phone. Call 1 (800) 690-6903 and follow the instructions on your proxy card.
3. Vote by mail. Mark, date, sign and mail promptly the enclosed proxy card (a postage-paid envelope is provided for mailing in the United States).
4. Vote in person. Attend and vote at the Special Meeting.

If you vote by Internet or phone, please DO NOT mail your proxy card.

Beneficial Owner (Holding Shares in Street Name)

1. Vote by Internet. The website address for Internet voting is on your vote instruction form.
2. Vote by mail. Mark, date, sign and mail promptly the enclosed vote instruction form (a postage-paid envelope is provided for mailing in the United States).
3. Vote in person. Obtain a valid legal proxy from the organization that holds your shares and attend and vote at the Special Meeting.

What Constitutes a Quorum?

To carry on the business of the Special Meeting, we must have a quorum. A quorum is present when a majority of the outstanding shares of stock entitled to vote, as of the record date, are represented in person or by proxy. Shares owned by Cocrysal are not considered outstanding or considered to be present at the Special Meeting. Abstentions are counted as present for the purpose of determining the existence of a quorum.

What happens if Cocrysal is unable to obtain a Quorum?

If a quorum is not present to transact business at the Special Meeting or if we do not receive sufficient votes in favor of the Proposal by the date of the Special Meeting, the persons named as proxies may propose one or more adjournments of the Special Meeting to permit solicitation of proxies.

Is the Proposal Considered “Routine” or “Non-Routine”?

The Proposal is considered routine. Therefore, there will be no “broker non-votes” in connection with the Special Meeting.

How are abstentions treated?

Abstentions only have an effect on the outcome of any matter being voted on that requires the approval based on our total voting stock outstanding. Thus, abstentions have an adverse effect on the Proposal.

How Many Votes are Needed for the Proposal to Pass, is Broker Discretionary Voting Allowed and what is the effect of an abstention?

Proposal	Vote Required	Broker Discretionary Vote Allowed	Effect of Abstentions on the Proposal
To approve the amendment to the Certificate of Incorporation to Increase the Authorized Shares	Majority of the voting power of each of: (i) the common stock, (ii) the Series A and (iii) the Series B	Yes	Vote against

What Are the Voting Procedures?

You may vote in favor of the Proposal or against the Proposal, or you may abstain from voting on the Proposal. You should specify your respective choice on the accompanying proxy card or your vote instruction form.

Is My Proxy Revocable?

You may revoke your proxy and reclaim your right to vote up to and including the day of the Special Meeting by giving written notice to the Corporate Secretary of Cocrysal, by delivering a proxy card dated after the date of the proxy or by voting in person at the Special Meeting. All written notices of revocation and other communications with respect to revocations of proxies should be addressed to: Cocrysal Pharma, Inc., 19805 North Creek Parkway Bothell, Washington 98011, Attention: Corporate Secretary.

Who is Paying for the Expenses Involved in Preparing and Mailing this Proxy Statement?

All of the expenses involved in preparing, assembling and mailing these proxy materials and all costs of soliciting proxies will be paid by Cocrysal. In addition to the solicitation by mail, proxies may be solicited by our officers and regular employees by telephone or in person. Such persons will receive no compensation for their services other than their regular salaries. Arrangements will also be made with brokerage houses and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of the shares held of record by such persons, and we may reimburse such persons for reasonable out of pocket expenses incurred by them in so doing. We may hire an independent proxy solicitation firm.

What Happens if Additional Matters are Presented at the Special Meeting?

We are not aware of any other business to be acted upon at the Special Meeting. If you submit a signed proxy card, the persons named as proxy holders, Messrs. Wilcox and Schinazi, will have the discretion to vote your shares on any additional matters properly presented for a vote at the Special Meeting.

What is “householding” and how does it affect me?

Record holders who have the same address and last name will receive only one copy of their proxy materials, unless we are notified that one or more of these record holders wishes to continue receiving individual copies. This procedure will reduce our printing costs and postage fees. Shareholders who participate in householding will continue to receive separate proxy cards.

If you are eligible for householding, but you and other record holders with whom you share an address, receive multiple copies of these proxy materials, or if you hold Cocrystal stock in more than one account, and in either case you wish to receive only a single copy of each of these documents for your household, please contact our Corporate Secretary at: Cocrystal Pharma, Inc., 9805 North Creek Parkway Bothell, Washington 98011, (425) 398-7178.

If you participate in householding and wish to receive a separate copy of these proxy materials, or if you do not wish to continue to participate in householding and prefer to receive separate copies of these documents in the future, please contact our Corporate Secretary as indicated above. Beneficial owners can request information about householding from their brokers, banks or other holders of record.

Do I Have Dissenters’ (Appraisal) Rights?

Appraisal rights are not available to Cocrystal shareholders with respect to the Proposal brought before the Special Meeting.

Interest of Officers and Directors in Matters to Be Acted Upon

Except with respect to Dr. Raymond Schinazi and the individuals listed below, none of the officers or directors have any interest in the Proposal. Dr. Schinazi, who is Co-Chairman of the Board beneficially owns 798,747 shares of Series A.

As described below under “Proposal”, Dr. Schinazi would be unable to convert his Series A until such time as Cocrystal increases its authorized capital. However, Dr. Schinazi and the other Series A holders would be provided certain benefits (which are described below) if Cocrystal does not increase its authorized capital by certain dates beginning July 1, 2015.

Additionally, certain other officers and directors of Cocrystal beneficially own Series B shares. The Series B shares may not be converted until such time as Cocrystal increases its authorized shares of common stock to permit full conversion of all of the Series B outstanding. The table below details the Series B ownership.

Officer/Director	No. of Shares of Common Stock underlying Series B ⁽¹⁾
Dr. Gary Wilcox	16,835,237
Dr. Sam Lee	15,287,847
Dr. Phillip Frost	87,726,389
Dr. Jane Hsiao	5,496,654
Steven Rubin	109,920

(1) Please refer to the Voting Securities and Principal Holders Thereof Table on page 6 for a further description of the individuals beneficial ownership.

If the Proposal is approved, all of the outstanding Series A and Series B will automatically convert into shares of Cocrystal common stock.

The Board Recommends that Shareholders Vote “For” the Proposal.

PROPOSAL

AMENDMENT TO OUR CERTIFICATE OF INCORPORATION TO INCREASE OUR AUTHORIZED COMMON STOCK FROM 200 MILLION TO 800 MILLION SHARES

Our Board adopted a resolution to amend our Certificate of Incorporation, which we refer to as “Certificate,” to increase the number of shares of common stock that we are authorized to issue from 200,000,000 to 800,000,000 shares and has directed that the proposed amendment be submitted to our shareholders for their approval and adoption. The amendment will not change the number of shares of preferred stock that are authorized, and the total authorized shares will be increased from 205,000,000 to 805,000,000. The form of the amendment is attached as Annex A to this Proxy Statement.

Purpose and Effect

We may issue shares of capital stock to the extent such shares have been authorized under our Certificate. Our Certificate currently authorizes us to issue up to 200,000,000 shares of common stock and 5,000,000 shares of preferred stock. No shares of our common stock are held in treasury. As of the record date, we currently have: (i) 122,493,690 shares common stock outstanding, (ii) 340,760,802 shares issuable upon conversion of Series A, and (iii) 205,083,086 shares issuable upon conversion of Series B. If the Proposal is approved by our shareholders, we will file an amendment with the Delaware Secretary of State which will result in the automatic conversion of all outstanding shares of preferred stock to common stock. Following such automatic conversion, our common stock would be the only class of stock outstanding and no further shares of preferred stock would remain outstanding.

The 1,000,000 shares of Series A outstanding were issued in connection with the acquisition of RFS Pharma, LLC (“RFS”), a privately owned biotech company founded by renowned drug developer, Dr. Raymond Schinazi. The Series A shares automatically convert into shares of Cocrystal’s common stock at an initial rate of 340.760802 shares for each share of Series A outstanding at such time that Cocrystal has taken action to obtain sufficient authorized capital (the “Capital Increase”) to convert all outstanding shares of Series A and all outstanding shares of Cocrystal’s Series B. If Cocrystal has not affected the Capital Increase by July 1, 2015, the amount of common stock into which the Series A is convertible (the “Conversion Amount”) will increase by 3% of the initial rate, and will continue to increase by an additional 1% of the rate in effect as of the July 1, 2015 adjustment on the first day of each subsequent month until Cocrystal effects the Capital Increase. Beginning on November 25, 2015, the Series A can be redeemed for a cash payment (the “Conversion Price”) equal to (i) the Conversion Amount in effect at the time of such calculation, multiplied by (ii) the volume-weighted average trading price of the Cocrystal’s common stock over the 30 days preceding the transaction. In the event of Cocrystal’s dissolution, change of control or similar event, holders of the Series A shares are entitled to a liquidation preference equal to the Conversion Price. Beginning July 1, 2015, if the Series A remains outstanding, shares of Series A will begin to accrue dividends at the rate of 12% per year of the Conversion Price, subject to monthly adjustment for increases in the Conversion Amount. Approval of the Proposal will enable us to effectuate the Capital Increase and avoid an increased Conversion Amount and other potential events described in this paragraph.

In connection with the RFS transaction, Cocrystal, RFS, and certain shareholders including directors and officers of Cocrystal entered into a Stockholders Agreement. As part of that Agreement, these parties agreed to vote in favor to take action to effect the Capital Increase described above. These parties represent approximately 26% of the voting power of the common stock and more than a majority of each of the Series A and the Series B.

Although we have no agreements to issue common stock in the future, we expect that we will need additional shares of common stock to grant options to existing and future Cocrystal employees as well as for other corporate purposes in order to grow our business.

Possible Anti-Takeover Effects of the Amendment

The proposed amendment to our Certificate is not being recommended in response to any specific effort of which our Board is aware to obtain control of Cocrystal, and our Board does not intend or view the proposed increase in authorized common stock as an anti-takeover measure. However, the ability of our Board to authorize the issuance of the additional shares of common stock that would be available if the proposed amendment is approved and adopted could have the effect of discouraging or preventing a hostile takeover. Under our Certificate, our shareholders do not have preemptive rights with respect to our common stock. Thus, should our Board elect to issue additional shares, existing shareholders would not have any preferential rights to purchase any shares.

The Board recommends a vote “For” the Proposal.

Voting Securities and Principal Holders Thereof

The following table sets forth the number of shares of our common stock beneficially owned as of the record date by (i) those persons known by us to be owners of more than 5% of our common stock, (ii) each director, (iii) our named executive officers and (iv) all of our executive officers and directors of Cocrysal as a group. Unless otherwise specified in the notes to this table, the address for each person is: c/o Cocrysal Pharma, Inc., 19805 North Creek Parkway Bothell, Washington 98011.
