#### ITEM 4. DESCRIPTION OF SECURITIES.

Not applicable.

**ITEM 5. INTERESTS OF NAMED EXPERTS AND COUNSEL.**

Not applicable.

**ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.**

Our Certificate of Incorporation provides that none of our directors will be personally liable to us or our shareholders for monetary damages for breach of fiduciary duty as a director, except for liability:

- For any breach of the director's duty of loyalty to us or our shareholders;
- For acts or omissions not in good faith or that involve intentional misconduct or a knowing violation of the law;
- Under Section 174 of the Delaware General Corporation Law for the unlawful payment of dividends; or
- For any transaction from which the director derives an improper personal benefit.

These provisions eliminate our rights and those of our shareholders to recover monetary damages from a director for breach of his fiduciary duty of care as a director except in the situations described above. The limitations summarized above, however, do not affect our ability or that of our shareholders to seek non-monetary remedies, such as an injunction or rescission, against a director for breach of his fiduciary duty.

Section 145 of the Delaware General Corporation Law provides a corporation with the power to indemnify any officer or director acting in his capacity as our representative who is or is threatened to be made a party to any lawsuit or other proceeding for expenses, judgment and amounts paid in settlement in connection with such lawsuit or proceeding. The indemnity provisions apply whether the action was instituted by a third party or was filed by one of our shareholders. The Delaware General Corporation Law provides that Section 145 is not exclusive of other rights to which those seeking indemnification may be entitled under any bylaw, agreement, vote of shareholders or disinterested directors or otherwise. We have provided for this indemnification in our Certificate of Incorporation because we believe that it is important to attract qualified directors and officers. We have also entered into Indemnification Agreements with our directors and officers which agreements are designed to indemnify them to the fullest extent permissible by law, subject to one limitation described in the next sentence. We have further provided in our Certificate of Incorporation that no indemnification shall be available, whether pursuant to our Certificate of Incorporation or otherwise, arising from any lawsuit or proceeding in which we assert a direct claim, as opposed to a shareholders' derivative action, against any directors and officers. This limitation is designed to insure that if we sue a director or officer we do not have to pay for his defense.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC, such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

**ITEM 7. EXEMPTION FROM REGISTRATION CLAIMED.**

Not applicable.

**ITEM 8. EXHIBITS.**

See Exhibit Index, which is incorporated herein by reference.

## ITEM 9. UNDERTAKINGS.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:
  - i. To include any prospectus required by section 10(a)(3) of the Securities Act;
  - ii. To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high and of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement;
  - iii. To include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

*provided, however*, that paragraphs (a)(1)(i) and (a)(1)(ii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the registration statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
  - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
- (c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Act and will be governed by the final adjudication of such issue.

## 2. PURPOSE AND TERM OF PLAN

2.1. **Purpose.** The purpose of the Plan is to motivate certain Employees, Nonemployee Directors and Independent Contractors to put forth maximum efforts toward the growth, profitability, and success of the Company and Subsidiaries by providing incentives to such Employees, Nonemployee Directors and Independent Contractors either through cash payments and/or through the ownership and performance of the Common Stock. In addition, the Plan is intended to provide incentives which will help the Company attract and retain highly qualified individuals as Employees and Nonemployee Directors and to assist in aligning the interests of such Employees and Nonemployee Directors with those of its shareholders.

2.2. **Term.** The Plan shall be effective as of the Effective Date; provided, however, that the Plan shall be approved by the shareholders of the Company at an annual meeting or any special meeting of shareholders of the Company within 12 months before or after the Effective Date, and such approval by the shareholders of the Company shall be a condition to the right of each Participant to receive Awards hereunder. Any Award granted under the Plan prior to the approval by the shareholders of the Company shall be effective as of the date of grant (unless the Committee specifies otherwise at the time of grant), but no such Award may Vest, be paid out, or otherwise be disposed of prior to such shareholder approval. If the shareholders of the Company fail to approve the Plan in accordance with this Section 2.2, any Award granted under the Plan shall be automatically cancelled without payment of any consideration to the recipient of such Award. The Plan shall remain in effect for ten years or until earlier terminated by the Board or Committee and no Award may be granted under the Plan on a date that is more than ten years from the Effective Date; provided, however, that in the event of Plan termination or expiration, the provisions of the Plan shall remain in effect as to any Awards which remain outstanding until all such Awards have been satisfied or are terminated under the terms of this Plan or under the applicable Award Agreement.

## 3. ELIGIBILITY AND PARTICIPATION

3.1. **Eligibility.** All Employees, all Nonemployee Directors and all Independent Contractors shall be eligible to participate in the Plan and to receive Awards. An individual’s status as a member of the Committee will not affect his eligibility to participate in the Plan.

3.2. **Participation.** Participants shall consist of such Employees, Nonemployee Directors and Independent Contractors as the Committee in its sole discretion designates to receive Awards under the Plan. Subject to Section 7.1, an Award may also be granted to an Employee, in connection with hiring, retention or otherwise prior to the date the Employee first performs services for the Company or any Subsidiary, provided that such Awards shall not become Vested prior to the date the Employee first performs such services. Designation of a Participant in any year shall not require the Committee to designate such Person to receive an Award in any other year or, once designated, to receive the same type or amount of Award as granted to the Participant in any other year. The Committee shall consider such factors as it deems pertinent in selecting Participants and in determining the type and amount of their respective Awards.

#### 4. ADMINISTRATION

4.1. **Responsibility.** The Committee shall have the responsibility, in its sole discretion, to control, operate, manage and administer the Plan in accordance with its terms; provided, however, that the Board may in any instance perform any of the functions of the Committee hereunder, unless otherwise provided by the rules of any stock exchange upon which the Common Stock is listed.

4.2. **Award Agreement.** Each Award granted under the Plan shall be evidenced by an Award Agreement which shall be signed by the Company and the Participant; provided, however, that in the event of any conflict between a provision of the Plan and any provision of an Award Agreement, the provision of the Plan shall prevail.

4.3. **Authority of the Committee.** The Committee shall have all the discretionary authority that may be necessary or helpful to enable it to discharge its responsibilities with respect to the Plan, including but not limited to the following:

- (a) to determine eligibility for participation in the Plan and to select Participants;
- (b) to determine eligibility for and the type and size of an Award granted under the Plan;
- (c) to make Awards in accordance with the terms of the Plan and to determine the terms and conditions of each Award;
- (d) to supply any omission, correct any defect, or reconcile any inconsistency in the Plan in such manner and to such extent as it shall deem appropriate in its sole discretion to carry the same into effect;
- (e) to issue administrative guidelines as an aid to administer the Plan and make changes in such guidelines as it from time to time deems proper;
- (f) to make rules for carrying out and administering the Plan and make changes in such rules as it from time to time deems proper;
- (g) to the extent permitted under the Plan, grant waivers of Plan terms, conditions, restrictions, and limitations and to vary the terms of Awards
- (h) to take account of tax, securities law and other regulatory requirements of foreign jurisdictions;
- (i) to accelerate the Vesting of any Award when such action or actions would be in the best interest of the Company;
- (j) to grant Awards in replacement of Awards previously granted under this Plan or any other executive compensation plan of the Company; and
- (k) to take any and all other actions it deems necessary or advisable for the proper operation or administration of the Plan.

4.4. **Action by the Committee.** The Committee may act only by a majority of its members. Any determination of the Committee may be made, without a meeting, by a writing or writings signed by all of the members of the Committee. For the avoidance of doubt, approval via email shall constitute a signed writing for the purposes of taking Committee action. In addition, the Committee may authorize any one or more of its members or, subject to Section 4.5 below, one or more agents to execute and deliver documents on behalf of the Committee.

**4.5. Delegation of Authority.** To the extent permitted by applicable law and the rules of any stock exchange upon which the Common Stock is listed, the Committee may delegate to one or more of its members, or to one or more officers of the Company, such administrative duties as it may deem advisable; provided, however, that any such delegation shall be in writing and, provided, further, that the Committee may not delegate its authority (a) to make Awards to Participants or (b) under Sections 4.3 (a), (b), (c), (d), (e), (f), (g), (h), (i) or (j) or Section 16 of the Plan. Any action undertaken by any such member or agent in accordance with the Committee's delegation of authority shall have the same force and effect as if undertaken directly by the Committee, and any reference in the Plan to the Committee shall, to the extent consistent with the terms and limitations of such delegation, be deemed to include a reference to such members or agents. In addition, the Committee, or any Person to whom it has delegated duties under this Section 4.5, may employ one or more Persons to render advice with respect to any responsibility the Committee or such Person may have under the Plan. The Committee may employ such legal or other counsel, consultants and agents as it may deem desirable for the administration of the Plan. Expenses incurred by the Committee in the engagement of such counsel, consultant or agent shall be paid by the Company, or the Subsidiary whose employees have benefited from the Plan, as determined by the Committee. In the performance of its functions, the Committee shall be entitled to rely upon information, opinions, computations and advice furnished by the Company's officers, any counsel, consultant or agent retained by the Committee, and any other party the Committee deems necessary, and no member of the Committee shall be liable for any action taken or not taken in reliance upon any such advice.

**4.6. Determinations and Interpretations by the Committee.** All determinations and interpretations made by the Committee shall be binding and conclusive on all Participants and their heirs, successors, and legal representatives.

**4.7. Liability.** No member of the Board, no member of the Committee and no Employee shall be liable for any act or failure to act hereunder, except in circumstances involving his or her willful misconduct, or for any act or failure to act hereunder by any other member or Employee or by any agent to whom duties in connection with the administration of the Plan have been delegated.

**4.8. Indemnification.** The Company shall indemnify members of the Board, members of the Committee and any agent of the Committee who is an Employee, against any and all liabilities or expenses to which they may be subjected (including, without limitation, the reasonable fees and expenses of counsel) by reason of any act or failure to act with respect to their duties on behalf of the Plan, except in circumstances involving such Person's willful misconduct.

## **5. SHARES SUBJECT TO PLAN**

**5.1. Available Shares.** Subject to the provisions of Section 5.2 below, the aggregate number of shares of Common Stock which shall be available for grants or payments of Awards under the Plan during its term shall be 81,157,135 shares, including 31,157,135 shares transferred from the Cocystal Discovery 2007 Equity Incentive Plan (the "**Total Plan Shares**"). In the event that (i) an Award (or portion thereof) lapses, expires or is otherwise terminated without the issuance of the shares subject to such Award or is settled by the delivery of consideration other than shares, (ii) shares are tendered to pay the exercise price of a Stock Option or other Award or (iii) shares are withheld from any award to satisfy a Participant's tax withholding obligations or, if applicable, to pay the exercise price of a Stock Option or other Award, such shares shall again become available for grants or Awards hereunder. Such shares of Common Stock available for issuance under the Plan may be either authorized but unissued shares, shares of issued stock held in the Company's treasury, or both, at the discretion of the Company. Awards that are payable only in cash are not subject to this Section 5.1.

**5.2. Adjustment to Shares.** The existence of the Plan, the Award Agreements and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise. If there is any change in the Common Stock of the Company, through merger, consolidation, reorganization, recapitalization, stock dividend, stock split, reverse stock split, split-up, split-off, spin-off, combination of shares, exchange of shares, dividend in kind or other like change in capital structure or distribution to shareholders of the Company in the nature of a liquidating distribution or a distribution pursuant to a plan of dissolution, the Committee may, in its discretion, make a proportionate adjustment to each outstanding Award that the Committee considers appropriate so that thereafter each such Award shall be with respect to or exercisable for such securities, cash and/or other property as would have been received in respect of the Common Stock subject to such Award had such Award been paid, distributed or exercised in full immediately prior to such change or distribution. In addition, in the event of any such change or distribution, in order to prevent dilution or enlargement of Participants' rights under the Plan, the Committee shall have the authority to adjust, in an equitable manner as it deems appropriate, the number and kind of shares that may be received in respect of any Award, the number and kind of shares subject to outstanding Awards, the exercise price applicable to outstanding Stock Options, and the Fair Market Value of the Common Stock and other value determinations applicable to outstanding Awards. Appropriate adjustments may also be made by the Committee in the terms of any Awards granted under the Plan to reflect such changes or distributions and to modify any other terms of outstanding Awards on an equitable basis, including modifications of performance goals and changes in the length of performance periods; provided, however, that with respect to Performance-Based Awards, such modifications and/or changes do not disqualify compensation attributable to such Awards as "performance-based compensation" under Code Section 162(m). In addition, the Committee is authorized to make adjustments to the terms and conditions of, and the criteria included in, Awards in recognition of unusual or nonrecurring events affecting the Company or the financial statements of the Company, or in response to changes in applicable laws, regulations, or accounting principles. The Committee's determination of what, if any, adjustments shall be made shall be final and binding on the Company and all Participants.

**5.3. No Repricing.** Absent shareholder approval, neither the Committee nor the Board shall have the authority, with or without the consent of the affected holders of the Awards, to "reprice" an Award after the date of its initial grant with a lower exercise price in substitution for the original exercise price. Adjustments in accordance with Section 5.2 above shall not be deemed "repricings" for purposes of this Section 5.3. This Section 5.3 may not be amended, altered or repealed by the Committee or the Board without the approval of the shareholders of the Company.

## **6. RESERVED**

## **7. STOCK OPTIONS**

**7.1. In General.** The Committee may, in its sole discretion, grant Stock Options to Employees, Nonemployee Directors and Independent Contractors on or after the Effective Date, subject, in all cases to Section 2.2 of the Plan. The Committee shall, in its sole discretion, determine the Employees, the Nonemployee Directors and Independent Contractors who will receive Stock Options and the number of shares of Common Stock underlying each Stock Option. Each Stock Option shall be subject to such terms and conditions consistent with the Plan set forth in the applicable Award Agreement and such other terms and conditions consistent with the Plan and the applicable Award Agreement as the Committee may impose from time to time. In addition, each Stock Option shall be subject to the following terms and conditions set forth in Sections 7.2 through 7.8 below.

**7.2. Exercise Price.** The Committee shall specify the exercise price of each Stock Option in the Award Agreement; provided, however, that the exercise price of any Nonqualified Stock Option shall not be less than 100% of the Fair Market Value of the Common Stock on the date of grant.

**7.3. Term of Stock Option.** The Committee shall specify the term of each Stock Option in the Award Agreement shall terminate as set forth in Section 14 below or at such earlier times and upon such conditions or circumstances as the Committee shall, in its sole discretion, set forth in the Award Agreement.

**7.4. Vesting Date.** The Committee shall specify the Vesting Date with respect to each Stock Option in the Award Agreement; provided, that the Committee may provide in the applicable Award Agreement that any Stock Option shall Vest in such portions or installments as the Committee may, in its sole discretion, determine. The Committee may grant Stock Options that are Vested, either in whole or in part, on the date of grant. If the Committee fails to specify a Vesting Date in the Award Agreement, 25% of such Stock Option shall become exercisable on each of the first four anniversaries of the date of grant and shall remain exercisable following such anniversary date until the Stock Option expires in accordance with its terms under the Award Agreement or under the terms of the Plan. The Vesting of a Stock Option may be subject to such other terms and conditions as shall be determined by the Committee, including, without limitation, accelerating the Vesting if certain performance goals are achieved.

**7.5. Exercise of Stock Options.** The Stock Option exercise price may be paid in cash or, in the sole discretion of the Committee, by the delivery of shares of Common Stock or other securities of the Company then owned by the Participant, by the withholding of shares of Common Stock (based upon the Fair Market Value as of the date notice of exercise is delivered to the Company) for which a Stock Option is exercisable, or by a combination of these methods. In the sole discretion of the Committee, and subject to all applicable laws, rules and regulations, payment may also be made by delivering a properly executed exercise notice to the Company together with a copy of irrevocable instructions to a broker to deliver promptly to the Company the amount of sale proceeds to pay the exercise price. To facilitate the foregoing, the Company may enter into agreements for coordinated procedures with one or more brokerage firms. The Committee may prescribe any other method of paying the exercise price that it determines to be consistent with applicable law and the purpose of the Plan, including, without limitation, in lieu of the exercise of a Stock Option by delivery of shares of Common Stock then owned by a Participant, providing the Company with a notarized statement attesting to the number of shares owned by the Participant, where upon verification by the Company, the Company would issue to the Participant only the number of incremental shares to which the Participant is entitled upon exercise of the Stock Option. In determining which methods a Participant may utilize to pay the exercise price, the Committee may consider such factors as it determines are appropriate; provided, however, that any method approved by the Committee shall comply with applicable securities laws. When payment of the exercise price for a Stock Option consists of shares of the Company's capital stock or other securities of the Company, such securities will not be accepted as payment unless the Participant has held such shares for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes.

**7.6. Additional Terms and Conditions.** The Committee may, by way of the Award Agreements or otherwise, establish such other terms, conditions, restrictions and/or limitations, if any, of any Stock Option, as they may determine in their sole discretion; provided, they are not inconsistent with the Plan, including, without limitation, any requirement that the Participant not engage in competition with the Company or any Subsidiary.

**7.7. Conversion Stock Options.** The Committee may, in its sole discretion and upon such terms and conditions as it deems appropriate, grant a Stock Option to any holder of an option (hereinafter referred to as an "Original Option") to purchase shares of the stock of any corporation:

(a) the stock or all or substantially all of the assets of which were acquired, directly or indirectly, by the Company or any Subsidiary, or

(b) which was merged with and into the Company or a Subsidiary, so that the Original Option is converted into a Stock Option (hereinafter referred to as a "Conversion Stock Option"); provided, however, that such Conversion Stock Option as of the date of its grant (the "**Conversion Stock Option Grant Date**") shall have substantially the same economic value as the Original Option as of the Conversion Stock Option Grant Date.

**7.8. Additional Restrictions Applicable to ISOs.**

(a) 10 Percent Shareholders. A 10 Percent Shareholder shall not be granted an ISO unless the exercise price is at least 110% of the Fair Market Value of the Common Stock at the date of grant and the ISO is not exercisable after the expiration of five years from the date of grant.

(b) Eligibility for Specific Awards. ISOs may be granted only to Employees.

(c) Term. Subject to the additional limitations applicable to 10 Percent Shareholders, no ISO shall be exercisable after the expiration of 10 years from the date of grant.

(d) Exercise price of an ISO. Subject to the additional limitations applicable to 10 Percent Shareholders, the exercise price of each ISO shall be not less than 100% of the Fair Market Value of the Common Stock subject to the ISO on the date of grant. Notwithstanding the foregoing, an ISO may be granted with an exercise price lower than that set forth in the preceding sentence if such ISO is granted pursuant to an assumption or substitution for another option in a manner satisfying the provisions of Section 424(a) of the Code.

(e) ISO \$100,000 Limitation. To the extent that the aggregate Fair Market Value (determined at the time of grant) of Common Stock with respect to which ISOs are exercisable for the first time by any Participant during any calendar year (under all plans of the Company and its Affiliates) exceeds \$100,000, the Stock Options or portions thereof which exceed such limit (according to the order in which they were granted) shall be treated as Nonqualified Stock Options.

(f) Disqualifying Dispositions. Any Participant who shall make a “disposition” (as defined in Section 424 of the Code) of all or any portion of shares of Common Stock acquired upon exercise of an ISO within two years from the date of grant of such ISO or within one year after the issuance of the shares of Common Stock acquired upon exercise of such ISO (a “*Disqualifying Disposition*”) shall be required to immediately advise the Company in writing as to the occurrence of the sale and the price realized upon the sale of such shares of Common Stock.

## 8. STOCK APPRECIATION RIGHTS

8.1. **In General**. The Committee may, in its sole discretion, grant SARs to Employees, Nonemployee Directors, and/or Independent Contractors. An SAR is a right to receive a payment in cash, Common Stock or a combination of both, in an amount equal to the excess of (x) the Fair Market Value of the Common Stock, or other specified valuation, of a specified number of shares of Common Stock on the date the SAR is exercised over (y) the Fair Market Value of the Common Stock, or other specified valuation (which shall be no less than the Fair Market Value of the Common Stock), of such shares of Common Stock on the date the SAR is granted, all as determined by the Committee. If a SAR is granted in tandem with, or subsequently to, a related Stock Option, or in substitution for a related Stock Option, the designated Fair Market Value of the Common Stock in the Award Agreement shall be the Fair Market Value of the Common Stock on the date such Stock Option was granted, the SAR shall cover the same number of shares of Common Stock as covered by the Stock Option (or such lesser number of shares as the Committee may determine) and the SAR shall be exercisable only at such time or times and to the extent the related Stock Option shall be exercisable, and shall have the same term and exercise price as the related Stock Option. Upon exercise of a Stock Appreciation Right granted in tandem with, or subsequently to, a related Stock Option, the related Stock Option shall be cancelled automatically to the extent of the number of shares covered by such exercise; conversely, if the related Stock Option is exercised as to some or all of the shares covered by the tandem grant, the tandem Stock Appreciation Right shall be cancelled automatically to the extent of the number of shares covered by the Stock Option exercised. Each SAR shall be subject to such terms and conditions, including, but not limited to, a provision that automatically converts a SAR into a Stock Option on a conversion date specified at the time of grant, as the Committee shall impose from time to time in its sole discretion and subject to the terms of the Plan.

## 9. STOCK AWARDS AND STOCK UNITS

9.1. **Stock Awards**. The Committee may, in its sole discretion, grant Stock Awards to Employees, Nonemployee Directors, and/or Independent Contractors as additional compensation or in lieu of other compensation for services to the Company. A Stock Award shall consist of shares of Common Stock which shall be subject to such terms and conditions as the Committee in its sole discretion determines appropriate, including, without limitation, restrictions on the sale or other disposition of such shares, the Vesting Date with respect to such shares, and the right of the Company to reacquire such shares for no consideration upon termination of the Participant’s employment within specified periods. With respect to the shares of Common Stock subject to a Stock Award, the Participant shall have all of the rights of a holder of shares of Common Stock, including the right to receive dividends and to vote the shares, unless the Committee determines otherwise on the date of grant. The Committee may require the Participant to deliver a duly signed stock power, endorsed in blank, relating to the Common Stock covered by such Stock Award. As a condition to any Stock Award, the Participant may be required to deliver to the Company a stock power, endorsed in blank, relating to the Shares covered by such Award. Any stock certificate issued in connection with a Stock Award may be held in the custody of the Company and will bear the following legend and/or any other legend required by this Plan, the applicable Award Agreement or applicable law:

THE TRANSFERABILITY OF THIS CERTIFICATE AND THE SHARES REPRESENTED HEREBY ARE SUBJECT TO THE TERMS AND CONDITIONS OF COCRYSTAL PHARMA, INC. 2007 EQUITY INCENTIVE PLAN AND AN AGREEMENT ENTERED INTO BETWEEN THE PARTICIPANT AND COCRYSTAL PHARMA, INC. (WHICH TERMS AND CONDITIONS MAY INCLUDE, WITHOUT LIMITATION, CERTAIN TRANSFER RESTRICTIONS AND FORFEITURE CONDITIONS). COPIES OF THAT PLAN AND AGREEMENT ARE ON FILE IN THE PRINCIPAL OFFICES OF COCRYSTAL PHARMA, INC. AND WILL BE MADE AVAILABLE TO THE HOLDER OF THIS CERTIFICATE WITHOUT CHARGE UPON REQUEST TO THE SECRETARY OF COCRYSTAL PHARMA, INC.

**9.2. Stock Units.** The Committee may, in its sole discretion, grant Stock Units to Employees, Nonemployee Directors, and/or Independent Contractors as additional compensation or in lieu of other compensation for services to the Company. A Stock Unit is a hypothetical share of Common Stock represented by a notional account established and maintained (or caused to be established or maintained) by the Company for such Participant who receives a grant of Stock Units. Stock Units shall be subject to such terms and conditions as the Committee, in its sole discretion, determines appropriate including, without limitation, determinations of the Vesting Date with respect to such Stock Units and the criteria for the Vesting of such Stock Units. A Stock Unit granted by the Committee shall provide for payment in shares of Common Stock at such time or times as the Award Agreement shall specify. The Committee shall determine whether a Participant who has been granted a Stock Unit shall also be entitled to a Dividend Equivalent Right.

**9.3. Payout of Stock Units.** In accordance with Section 17.3, below, a Participant may request that the delivery of Stock Units be deferred beyond the time of vesting, and the Committee, in its sole discretion, shall determine whether to approve such deferred delivery. Subject to a Participant's election to defer, upon the Vesting of a Stock Unit, the shares of Common Stock representing the Stock Unit shall be distributed to the Participant, unless the Committee, in its sole discretion, provides for the payment of the Stock Unit in cash (or partly in cash and partly in shares of Common Stock) equal to the value of the shares of Common Stock which would otherwise be distributed to the Participant.

## **10. PERFORMANCE SHARES AND PERFORMANCE UNITS**

**10.1. Performance Shares.** The Committee may, in its sole discretion, grant Performance Shares to Employees, Nonemployee Directors, and/or Independent Contractors as additional compensation or in lieu of other compensation for services to the Company. A Performance Share shall consist of a share or shares of Common Stock which shall be subject to such terms and conditions as the Committee, in its sole discretion, determines appropriate, including, without limitation, determining the performance goal or goals which, depending on the extent to which such goals are met, will determine the number and/or value of the Performance Shares that will be paid out or distributed to the Participant who has been granted Performance Shares. Performance goals may be based on, without limitation, Company-wide, divisional and/or individual performance, as the Committee, in its sole discretion, may determine, and may be based on the performance measures listed in Section 12.3 below. With respect to the Performance Shares, the Participant shall have none of the rights of a holder of shares of Common Stock, including the right to receive dividends and to vote the shares, unless and until such Performance Shares shall have been Vested and distributed to the Participant.

**10.2. Performance Units.** The Committee may, in its sole discretion, grant Performance Units to Employees, Nonemployee Directors, and/or Independent Contractors as additional compensation or in lieu of other compensation for services to the Company. A Performance Unit is a hypothetical share or shares of Common Stock represented by a notional account which shall be established and maintained (or caused to be established or maintained) by the Company for such Participant who receives a grant of Performance Units. Performance Units shall be subject to such terms and conditions as the Committee, in its sole discretion, determines appropriate, including, without limitation, determining the performance goal or goals which, depending on the extent to which such goals are met, will determine the number and/or value of the Performance Units that will be accrued with respect to the Participant who has been granted Performance Units. Performance goals may be based on, without limitation, Company-wide, divisional and/or individual performance, as the Committee, in its sole discretion, may determine, and may be based on the performance measures listed in Section 12.3 below.

**10.3. Payout of Performance Shares or Performance Units.** Subject to a Participant's election to defer in accordance with Section 17.3 below, upon the Vesting of a Performance Share or a Performance Unit, the shares of Common Stock representing the Performance Share or the Performance Unit shall be distributed to the Participant, unless the Committee, in its sole discretion, provides for the payment of the Performance Share or a Performance Unit in cash (or partly in cash and partly in shares of Common Stock) equal to the value of the shares of Common Stock which would otherwise be distributed to the Participant.

## **11. CASH AWARDS**

**11.1. In General.** The Committee may, in its sole discretion, grant Cash Awards to Employees, Nonemployee Directors, and/or Independent Contractors as additional compensation or in lieu of other compensation for services to the Company. A Cash Award shall be subject to such terms and conditions as the Committee, in its sole discretion, determines appropriate, including, without limitation, determining the Vesting Date with respect to such Cash Award, the criteria for the Vesting of such Cash Award, and the right of the Company to require the Participant to repay the Cash Award (with or without interest) upon termination of the Participant's employment within specified periods.

## **12. PERFORMANCE-BASED AWARDS**

**12.1. In General.** The Committee, in its sole discretion, may designate Awards granted under the Plan as Performance-Based Awards (as defined below) if it determines that such compensation might not be tax deductible by the Company due to the deduction limitation imposed by Code Section 162(m). Accordingly, an Award granted under the Plan may be granted in such a manner that the compensation attributable to such Award is intended by the Committee to qualify as "qualified performance-based compensation" (as such term is used in Code Section 162(m) and the Treasury Regulations thereunder) and thus be exempt from the deduction limitation imposed by Code Section 162(m) ("Performance-Based Awards").

**12.2. Qualification of Performance-Based Awards.** Awards shall only qualify as Performance-Based Awards under the Plan if:

(a) at the time of grant the Committee is comprised solely of two or more "outside directors" (as such term is used in Code Section 162(m) and the Treasury Regulations thereunder);

(b) with respect to either the granting or Vesting of an Award (other than (i) a Nonqualified Stock Option or (ii) a SAR, which are granted with an exercise price at or above the Fair Market Value of the Common Stock on the date of grant), such Award is subject to the achievement of a performance goal or goals based on one or more of the performance measures specified in Section 12.3 below;

(c) the Committee establishes in writing (i) the objective performance-based goals applicable to a given performance period and (ii) the individual employees or class of employees to which such performance-based goals apply no later than 90 days after the commencement of such performance period (but in no event after 25 percent of such performance period has elapsed);

(d) no compensation attributable to a Performance-Based Award will be paid to or otherwise received by a Participant until the Committee certifies in writing that the performance goal or goals (and any other material terms) applicable to such performance period have been satisfied; and

(e) after the establishment of a performance goal, the Committee shall not revise such performance goal (unless such revision will not disqualify compensation attributable to the Award as "performance-based compensation" under Code Section 162(m)) or increase the amount of compensation payable with respect to such Award upon the attainment of such performance goal.

12.3. **Performance Measures.** The Committee shall use the following performance measures (either individually or in any combination) to set performance goals with respect to Awards intended to qualify as Performance-Based Awards: net sales; pretax income before allocation of corporate overhead and bonus; budget; cash flow; earnings per share; net income; financial goals; return on shareholders' equity; return on assets; attainment of strategic and operational initiatives; appreciation in and/or maintenance of the price of the Common Stock or any other publicly-traded securities of the Company; market share; gross profits; earnings before interest and taxes; earnings before interest, taxes, depreciation and amortization; economic value-added models; comparisons with various stock market indices; and/or reductions in costs.

### 13. CHANGE IN CONTROL

13.1. **Accelerated Vesting.** Notwithstanding any other provision of this Plan to the contrary, and without limiting the powers of the Committee under Section 4.3 of the Plan, if there is a Change in Control of the Company, the Vesting Date and/or payout of each outstanding Award shall be accelerated so that each such Award shall, immediately prior to the effective date of the Change in Control, become fully vested with respect to the total number of shares of Common stock subject to such Award. Upon the consummation of any Change in Control, all outstanding Awards under the Plan shall, to the extent not previously exercised, either be assumed by any successor corporation or parent thereof or be replaced with a comparable Award with respect to shares of common stock of such successor corporation or parent thereof.

13.2. **Cashout.** The Committee, in its sole discretion, may determine that, upon the occurrence of a Change in Control of the Company, all or a portion of certain outstanding Awards shall terminate within a specified number of days after notice to the holders, and each such holder shall receive an amount equal to the value of such Award on the date of the Change in Control, and with respect to each share of Common Stock subject to a Stock Option or SAR, an amount equal to the excess of the Fair Market Value of such shares of Common Stock immediately prior to the occurrence of such Change in Control (or such other greater amount as the Committee may determine in its sole and absolute discretion to be equitable to prevent dilution or enlargement of Participants' rights under the Plan) over the exercise price per share of such Stock Option or SAR. Such amount shall be payable in cash, in one or more kinds of property (including the property, if any, payable in the transaction) or in a combination thereof, as the Committee, in its sole discretion, shall determine.

13.3. **Assumption or Substitution of Awards.** Notwithstanding anything contained in the Plan to the contrary, the Committee may, in its sole discretion, provide that an Award may be assumed by any entity which acquires control of the Company or may be substituted by a similar award under such entity's compensation plans.

### 14. TERMINATION OF EMPLOYMENT, FORFEITURE AND CLAWBACK

14.1. **Termination of Employment Due to Death.** Subject to the terms of the Plan, any written agreement between the Participant and the Company, and the applicable Award Agreement, if a Participant's employment is terminated due to death:

(a) all non-Vested portions of Awards held by the Participant on the date of the Participant's death shall immediately be forfeited by such Participant as of such date; and

(b) all Vested portions of Stock Options and SARs held by the Participant on the date of the Participant's death shall remain exercisable until the earlier of:

(i) the end of the 12-month period following the date of the Participant's death, or

(ii) the date the Stock Option or SAR would otherwise expire.

**14.2. Termination of Employment for Cause.** Subject to the terms of the Plan, any written agreement between the Participant and the Company, and the applicable Award Agreement, if a Participant's employment is terminated by the Company for Cause, all Awards held by a Participant on the date of the termination of his or her employment for Cause, whether Vested or non-Vested, shall immediately be forfeited by such Participant as of such date. If a Participant's employment is terminated for Cause during the six months following any exercise, payment or delivery pursuant to an Award, such exercise, payment or delivery may be rescinded within two years thereafter. In the event of any such rescission, the Participant shall pay to the Company the amount of any gain realized or payment received as a result of the rescinded exercise, payment or delivery, in such manner and on such terms and conditions as may be required, and the Company shall be entitled to set-off against the amount of any such gain any amount owed to the Participant by the Company.

**14.3. Termination of Employment Due to Retirement or Disability.** Subject to the terms of the Plan, any written agreement between the Participant and the Company, and the applicable Award Agreement, if a Participant's employment is terminated due to Retirement or Disability of the Participant:

(a) all non-Vested portions of Awards held by the Participant on the date of the Participant's Retirement or the date of the termination of his or her employment, as the case may be, shall immediately be forfeited by such Participant as of such date; and

(b) all Vested portions of Stock Options and SARs held by the Participant on the date of the Participant's Retirement or the date of the termination of his or her employment, as the case may be, shall remain exercisable until the earlier of:

(i) the end of the 12-month period following the date of the Participant's Retirement or the date of the termination of his or her employment, as the case may be, or

(ii) the date the Stock Option or SAR would otherwise expire.

**14.4. Other Terminations of Employment.** Subject to the terms of the Plan, any written agreement between the Participant and the Company, and the applicable Award Agreement, if a Participant's employment is terminated for any reason other than for Cause, retirement or due to death or Disability:

(a) all non-Vested portions of Awards held by the Participant on the date of the termination of his or her employment shall immediately be forfeited by such Participant as of such date; and all Vested portions of Stock Options and/or SARs held by the Participant on the date of the termination of his or her employment shall remain exercisable until the earlier of;

(i) 90 days following the date of the termination of the Participant's employment, or

(ii) the date the Stock Option or SAR would otherwise expire.

**14.5. Change in Status.** Notwithstanding anything to the contrary set forth in the Plan, if any Employee ceases for any reason to be an Employee but continues to perform services for the Company (whether as a Nonemployee Director, consultant, agent, Independent Contractor or otherwise), at the sole discretion of the Committee, such Participant shall retain some or all of his or her Awards upon the original terms and conditions thereof; provided, however, that in connection with such change in status, the Committee may not take action with respect to any Award that would constitute the cancellation of the original Award and the grant of a new Award under the Code; and provided, further, that if such Participant thereafter ceases to perform services for the Company then the provisions of this Section 14.4 shall no longer apply and such Award shall thereafter be subject to the provisions of Section 14.1, 14.2 or 14.3, as applicable.

**14.6. Committee Discretion.** Notwithstanding anything contained in the Plan to the contrary, and without limiting the powers of the Committee under Section 4.3 of the Plan, the Committee may, in its sole discretion, provide that:

(a) any or all non-Vested portions of Stock Options and/or SARs held by the Participant on the date of the Participant's death and/or the date of the termination of his or her employment shall immediately become exercisable as of such date and shall remain exercisable until a date that occurs on or prior to the date the Stock Option or SAR is scheduled to expire;

(b) any or all Vested portions of Nonqualified Stock Options and/or SARs held by the Participant on the date of the Participant's death and/or the date of the termination of his or her employment shall remain exercisable until a date that occurs on or prior to the date the Stock Option or SAR is scheduled to expire; and/or

(c) any or all non-Vested portions of Stock Awards, Stock Units, Performance Shares, Performance Units, and/or Cash Awards held by the Participant on the date of the Participant's death and/or the date of the termination of his or her employment shall immediately Vest or shall become Vested on a date that occurs on or prior to the date the Award is scheduled to vest.

**14.6 Forfeiture Events.** The Committee may specify in an Award Agreement that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain events, in addition to applicable vesting conditions of an Award. Such events may include, without limitation, breach of non-competition, non-solicitation, confidentiality, or other restrictive covenants that are contained in the Award Agreement or otherwise applicable to the Participant, a termination for Cause of the Participant's service to the Company as an Employee, Nonemployee Director, consultant, agent, or Independent Contractor, or other conduct by the Participant that is detrimental to the business or reputation of the Company and/or its Affiliates.

**14.7 Clawbacks.** Except as provided in a written agreement with the Participant, all Awards shall be subject to possible clawback as provided below. Any clawback as may be required to be made pursuant to any law, government regulation or stock exchange listing requirement (or any policy adopted by the Company pursuant to any such law, government regulation or stock exchange listing requirement) shall be automatic without further action by the Board or Committee and be incorporated in this Plan and all Award Agreements. The following clawback provisions shall be deemed to be incorporated in any Award Agreement, unless otherwise specified to the contrary.

(a) The Participant is dismissed as an employee based upon fraud, theft, or dishonesty, which is reflected in a written or electronic notice given to the employee;

(b) The Participant purchases or sells securities of the Company in violation of the Company's insider trading guidelines then in effect;

(c) The Participant breaches any duty of confidentiality including that required by the Company's insider trading guidelines then in effect;

(d) The Participant competes with the Company by soliciting customers located within or otherwise where the Company is doing business within any state, or where the Company expects to do business within three months following ceasing to perform the Services and, in this later event, the Participant has actual knowledge of such plans;

(e) The Participant is unavailable for consultation after termination of the Participant if such availability is a condition of any agreement between the Company and the Participant;

(f) The Participant recruits Company personnel for another entity or business; within 24 months following termination of employment;

(g) The Participant fails to assign any invention, technology, or related intellectual property rights to the Company if such assignment is a condition of any agreement between the Company and the Participant;

(h) The Participant acts in a disloyal manner to the Company; or

(i) A finding by the Board that the Participant has acted against the interests of the Company.

## 15. TAXES

15.1. **Withholding Taxes.** With respect to Employees, the Company, or the applicable Subsidiary, may require a Participant whose Stock Award, Stock Unit, Performance Share or Performance Unit granted hereunder has Vested, or who exercises a Stock Option or SAR granted hereunder to reimburse the Company or the Subsidiary which employs such Participant for any taxes required by any governmental regulatory authority to be withheld or otherwise deducted and paid by such corporation or entity in respect of the issuance or disposition of such shares or the payment of any amounts. In lieu thereof, the Company or the Subsidiary which employs such Participant, shall have the right to withhold the amount of such taxes from any other sums due or to become due from the Company or the Subsidiary, as applicable, to the Participant upon such terms and conditions as the Committee shall in its sole discretion prescribe. The Company or the Subsidiary that employs such Participant may, in its discretion, hold the stock certificate to which such Participant is entitled upon the Vesting of a Stock Award, Stock Unit, Performance Share or Performance Unit or the exercise of a Stock Option or SAR as security for the payment of such withholding tax liability, until cash sufficient to pay that liability has been accumulated by or paid to the Company or such Subsidiary.

15.2. **Use of Common Stock to Satisfy Withholding Obligation.** With respect to Employees, at any time that the Company, Subsidiary or other entity that employs such Participant becomes subject to a withholding obligation under applicable law with respect to the vesting of a Stock Award, Stock Unit, Performance Share or Performance Unit or the exercise of a Nonqualified Stock Option (the "Tax Date"), except as set forth below, a holder of such Award may, subject to the approval of the Committee, elect to satisfy, in whole or in part, the holder's related personal tax liabilities (an "Election") by (i) directing the Company, Subsidiary or other entity that employs such Participant to withhold from shares issuable in the related vesting or exercise either a specified number of shares or shares of Common Stock having a specified value (in each case equal to the related minimum statutory personal withholding tax liabilities with respect to the applicable taxing jurisdiction in order to comply with the requirements for a "fixed plan" under Accounting Principals Board Opinion No. 25), (ii) tendering shares of Common Stock or other securities of the Company previously issued pursuant to the exercise of a Stock Option or other shares of the Common Stock owned by the holder, or (iii) combining any or all of the foregoing Elections in any fashion. The foregoing notwithstanding, however, when previously issued shares of Common Stock or other securities of the Company are tendered pursuant to an Election, such tender of shares will not be accepted unless the Participant has held such shares for the requisite period necessary to avoid a charge to the Company's earnings for financial reporting purposes. An Election shall be irrevocable. The withheld shares and other shares of Common Stock or other securities tendered in payment shall be valued at their Fair Market Value on the Tax Date. The Committee may in its sole discretion disapprove of any Election, suspend or terminate the right to make Elections or provide that the right to make Elections shall not apply to particular shares or exercises. The Committee may impose any additional conditions or restrictions on the right to make an Election as it shall deem appropriate, including conditions or restrictions with respect to Section 16 of the Exchange Act.

15.3. **No Guarantee of Tax Consequences.** No Person connected with the Plan in any capacity, including, but not limited to, the Company and any Subsidiary and their respective directors, officers, agents and employees makes any representation, commitment, or guarantee that any tax treatment, including, but not limited to, federal, state and local income, estate and gift tax treatment, will be applicable with respect to amounts deferred under the Plan, or paid to or for the benefit of a Participant under the Plan, or that such tax treatment will apply to or be available to a Participant on account of participation in the Plan.

## 16. AMENDMENT AND TERMINATION

16.1. **Termination of Plan.** The Board or the Committee may suspend or terminate the Plan at any time with or without prior notice; provided, however, that no action authorized by this Section 16.1 shall reduce the amount of any outstanding Award or adversely change the terms and conditions thereof without the Participant's consent.

16.2. **Amendment of Plan.** Provided that no amendment may adversely affect the rights of any Participant under any outstanding Award without the Participant's consent; and, provided further, that no such amendment shall be effective without shareholder approval if such approval is required to comply with any applicable law or the rules of any national securities exchange or other market system on which the Company's securities are then listed or traded; and, provided further, that the Board may not, without shareholder approval, increase the maximum number of shares issuable under the Plan, the Board may amend the Plan at any time with or without prior notice. Notwithstanding any provision herein to the contrary, the Board shall have broad authority to amend the Plan, and either the Board or the Committee shall have broad authority to amend any Award, in each case to take into account changes in applicable tax laws, securities laws, accounting rules and other applicable state and federal laws.

16.3. **Amendment or Cancellation of Award Agreements .** Without limitation to the rights of the Committee under Sections 4.3 and 14.6 of the Plan, the Committee may amend or modify any Award Agreement at any time by mutual agreement between the Committee and the Participant or such other Persons as may then have an interest therein. In addition, by mutual agreement between the Committee and a Participant or such other Persons as may then have an interest therein, Awards may be granted to an Employee, Nonemployee Director or Independent Contractor in substitution and exchange for, and in cancellation of, any Awards previously granted to such Employee, Nonemployee Director or Independent Contractor under the Plan, or any award previously granted to such Employee, Nonemployee Director or Independent Contractor under any other present or future plan of the Company or any present or future plan of an entity which (i) is purchased by the Company, (ii) purchases the Company, or (iii) merges into or with the Company.

## 17. MISCELLANEOUS

17.1. **Other Provisions.** Awards granted under the Plan may also be subject to such other provisions (whether or not applicable to the Award granted to any other Participant) as the Committee determines in its sole discretion on the date of grant to be appropriate, including, without limitation, for the installment purchase of Common Stock under Stock Options, to assist the Participant in financing the acquisition of Common Stock, for the forfeiture of, or restrictions on resale or other disposition of, Common Stock acquired under any Stock Option, for the acceleration of Vesting of Awards in the event of a Change in Control of the Company, for the payment of the value of Awards to Participants in the event of a Change in Control of the Company, or to comply with federal and state securities laws, or understandings or conditions as to the Participant's employment in addition to those specifically provided for under the Plan.

17.2. **Transferability.** Each Award granted under the Plan to a Participant shall not be transferable otherwise than by will or the laws of descent and distribution or pursuant to a "qualified domestic relations order" as defined in the Code or Title I of the Employee Retirement Income Security Act of 1974, as amended, and the rules and regulations adopted thereunder and Stock Options and SARs shall be exercisable, during the Participant's lifetime, only by the Participant; provided, however, that the Committee may in its sole discretion permit the transfer of an Award to a Participant's Family Members or to one or more trusts established in whole or in part for the benefit of one or more such Family Members. In the event of the death of a Participant, each Stock Option or SAR theretofore granted to him or her shall be exercisable during such period after his or her death as the Committee shall, in its sole discretion, set forth in the Award Agreement on the date of grant and then only by the executor or administrator of the estate of the deceased Participant or the Person or Persons to whom the deceased Participant's rights under the Stock Option or SAR shall pass by will or the laws of descent and distribution.

17.3. **Election to Defer Compensation Attributable to Award .** The Committee may, in its sole discretion, allow a Participant to elect to defer the receipt of any compensation attributable to an Award under guidelines and procedures to be established by the Committee after taking into account the advice of the Company's tax counsel.

**17.4. Listing of Shares and Related Matters.** If at any time the Committee shall determine that the listing, registration or qualification of the shares of Common Stock subject to any Award on any securities exchange or under any applicable law, or the consent or approval of any governmental regulatory authority, is necessary or desirable as a condition of, or in connection with, the granting of an Award or the issuance of shares of Common Stock thereunder, such Award may not be exercised, distributed or paid out, as the case may be, in whole or in part, unless such listing, registration, qualification, consent or approval shall have been effected or obtained free of any conditions not acceptable to the Committee. The Committee may require each Participant purchasing or acquiring shares of Common Stock pursuant to a Stock Option or other Award under the Plan to represent to and agree with the Company in writing that such Participant is acquiring the shares for investment and not with a view to the distribution thereof. All certificates for shares of Common Stock delivered under the Plan shall be subject to such stock-transfer orders and other restrictions as the Committee may deem advisable under the rules, regulations, and other requirements of the Securities and Exchange Commission or any national securities exchange or other market system on which the Company's securities are listed or traded, and any applicable federal or state securities law, and the Committee may cause a legend or legends to be put on any such certificates to make appropriate reference to such restrictions.

**17.5. No Right, Title, or Interest in Company Assets.** Participants shall have no right, title, or interest whatsoever in or to any investments which the Company may make to aid it in meeting its obligations under the Plan. Nothing contained in the Plan, and no action taken pursuant to its provisions, shall create or be construed to create a trust of any kind, or a fiduciary relationship between the Company and any Participant, beneficiary, legal representative or any other Person. The Plan is intended to constitute an unfunded plan for incentive compensation. To the extent that any Person acquires a right to receive payments from the Company under the Plan, such right shall be no greater than the right of an unsecured general creditor of the Company. All payments to be made hereunder shall be paid from the general funds of the Company and no special or separate fund shall be established and no segregation of assets shall be made to assure payment of such amounts except as expressly set forth in the Plan. The Plan is not intended to be subject to the Employee Retirement Income Security Act of 1974, as amended.

**17.6. No Right to Continued Employment or Service or to Grants.** The Participant's rights, if any, to continue to serve the Company as a director, officer, employee, independent contractor or otherwise, shall not be enlarged or otherwise affected by his or her designation as a Participant under the Plan, and the Company or the applicable Subsidiary reserves the right to terminate the employment of any Employee or the services of any Independent Contractor or director at any time. The adoption of the Plan shall not be deemed to give any Employee, Nonemployee Director, Independent Contractor or any other individual any right to be selected as a Participant or to be granted an Award.

**17.7. Awards Subject to Foreign Laws.** The Committee may grant Awards to individual Participants who are subject to the tax laws of nations other than the United States, and such Awards may have terms and conditions as determined by the Committee as necessary to comply with applicable foreign laws. The Committee may take any action, which it deems advisable to obtain approval of such Awards by the appropriate foreign governmental entity; provided, however, that no such Awards may be granted pursuant to this Section 17.7 and no action may be taken which would result in a violation of the Exchange Act or any other applicable law.

**17.8. Governing Law.** The Plan, all Awards granted hereunder, and all actions taken in connection herewith shall be governed by and construed in accordance with the laws of the State of Delaware without reference to principles of conflict of laws, except as superseded by applicable federal law or as otherwise provided in any Award Agreement.

**17.9. Other Benefits.** No Award granted under the Plan shall be considered compensation for purposes of computing benefits under any retirement plan of the Company or any Subsidiary nor affect any benefits or compensation under any other benefit or compensation plan of the Company or any Subsidiary now or subsequently in effect.

**17.10. No Fractional Shares.** No fractional shares of Common Stock shall be issued or delivered pursuant to the Plan or any Award. The Committee shall determine in its sole discretion whether cash, Common Stock, Stock Options, or other property shall be issued or paid in lieu of fractional shares or whether such fractional shares or any rights thereto shall be forfeited or otherwise eliminated.

**17.11. Authority of the Company and Shareholders.** The existence of the Plan, the Award Agreements and the Awards granted hereunder shall not affect or restrict in any way the right or power of the Company or the shareholders of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, any merger or consolidation of the Company, any issue of stock or of options, warrants or rights to purchase stock or of bonds, debentures, preferred or prior preference stocks whose rights are superior to or affect the Common Stock or the rights thereof or which are convertible into or exchangeable for Common Stock, or the dissolution or liquidation of the Company, or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar character or otherwise.

**17.12. Other Compensation Plans.** The adoption of the Plan shall not affect any other stock option, incentive or other compensation plans in effect for the Company or any Subsidiary, nor shall the plan preclude the Company from establishing any other forms of incentive or other compensation for Employees and Nonemployee Directors of the Company or any Subsidiary.
